- PRESENTERS:** Andrea Valderrama, OJF Board Member and State Representative
- WHY:** We are hosting this event to bring folks together for two reasons: 1) to facilitate a meaningful dialogue about both on-the-ground and policy solutions to our housing and homelessness crises, and 2) to raise the funds it takes to build a more just future where everyone has long-term, quality housing they can afford.
- WHEN:** Wednesday, May 15, 2024, 12:00 – 1:30 PM
- WHERE:** In-person at The Aurora, OJF's newest affordable housing community in SE Portland (160th & SE Stark). A virtual platform for hybrid programming may be added.
